OPTION SELLING BUSINESS PROGRAM

A Complete Learning Roadmap to Build a Disciplined & Risk-Managed Option Selling Business

✦ LEARNING ROADMAP

◇ PHASE 1: FOUNDATION OF OPTION SELLING BUSINESS

(Mindset + Core Basics) — 3 Days

What You Will Learn:

1. What is Option Selling? (Business perspective, not theory).
2. Why 90% of traders fail & how professional option sellers consistently win.
3. Transition from gambler mindset → business owner mindset.
4. Options explained with practical, live market examples.
5. Greeks simplified — only what actually matters for sellers.
6. Capital deployment & risk rules followed by professionals.

✔ Outcome:

You stop thinking like a trader and start thinking like a disciplined Option Seller &

◇ PHASE 2: CORE OPTION SELLING STRATEGIES

(High-Probability Setups) — 3 Days

1. High-probability option selling setups used by professionals.
2. Support & Resistance from an option seller's point of view.
3. Strike price selection logic (the most critical skill).
4. Expiry vs Non-Expiry day behavior.
5. When NOT to trade (capital protection rules).

◆ PHASE 3: EXECUTION & ADJUSTMENTS

(Survival Skills) — 2 Days.

What You Will Learn:

1. Rule-based Entry, Stop-Loss & Exit systems.
2. Adjustment techniques with live market examples.
3. Handling fast, volatile & news-driven markets.
4. Loss control & damage-limitation techniques.

◇ Outcome:

You gain the skills to survive bad days while protecting your capital and mindset.

◆ PHASE 4: RISK MANAGEMENT (MOST IMPORTANT)

(Capital Protection System) — 2 Days.

What You Will Learn:

1. Position sizing based on capital.
2. Maximum loss rules (per trade & per day).
3. Drawdown control framework.
4. Hedging techniques for option sellers.
5. How professionals stay in the game for years.

◇ Outcome:

You master capital protection first, before chasing profits.

◆ PHASE 5: OPTION SELLING AS A BUSINESS

(Long-Term Consistency) — 2 Days.

What You Will Learn:

1. Consistency framework used by full-time option sellers.
2. How to scale capital safely.
3. Common mistakes that destroy option sellers.
4. Psychological discipline & daily trading routine.
5. Final Live Q&A Session.
